

Specifications

- Wear Layer: 20 mil (0.5 mm)
- Overall Thickness: 6.5 mm
- Available as Special Order: 6.0 mm 12 mil
- Size: 6" x 48"
- 100% Phthalate Free
- Reach Compliant
- Warranty: 10-Year Commercial & Lifetime Residential

- Patent-Pending Coating
- 30% More Scratch Resistance Over Typical Coatings
- Exceptional Wear Resistance and High Strength

Rigid LVT with High Performance Core (HPC) Technology and Cork Underlayment

Back of SMPL Plank

ASTM E492 IMPACT INSULATION CLASS:	IIC 54
ASTM E90 AIRBORNE SOUND TRANSMISSION:	STC 52
ASTM F970-07 STATIC LOAD LIMIT:	PASSES

NOVALIS
INNOVATIVE FLOORING

AVA SMPL

AVA SMPL

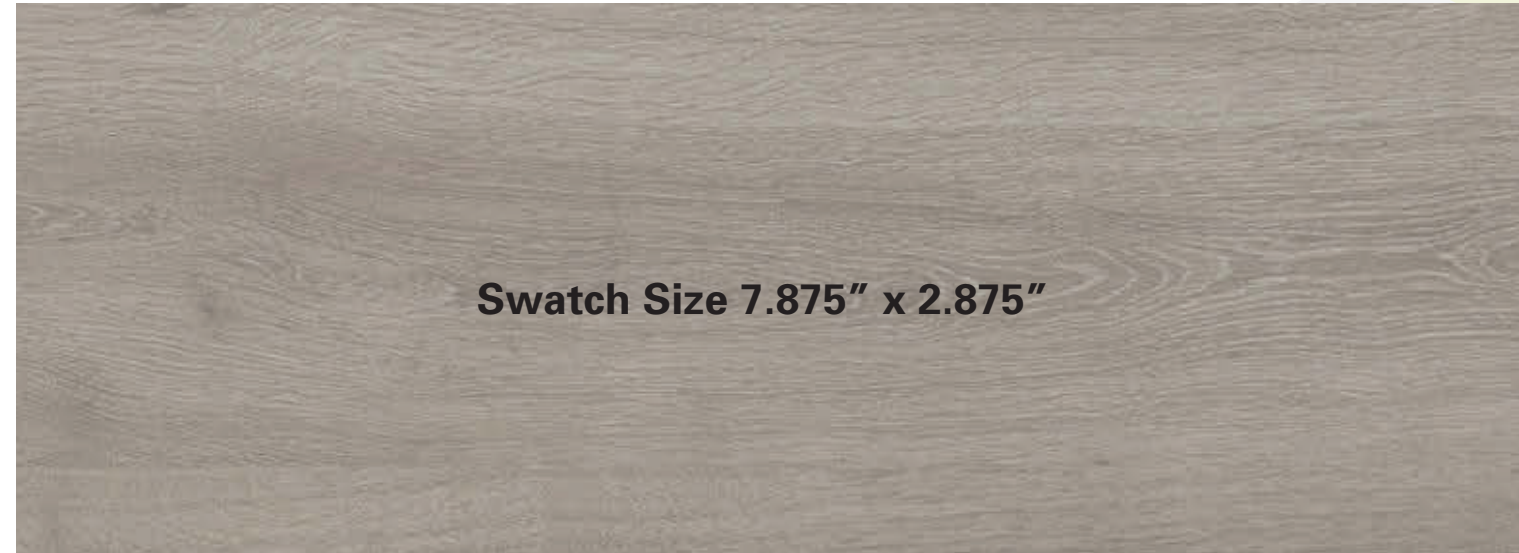

With its HPC (High Performance Core) clic construction, SMPL® is a rigid, floating floor system featuring a unique drop-lock mechanism for quick and easy installation with minimal subfloor preparation.

A waterproof core, durable wear layer and our proprietary AMP polyurethane coating make it an ideal flooring product for multi-family units, condominiums, corporate offices and a variety of other residential and light commercial environments.

SMPL® includes an attached cork backing, which greatly improves it's sound reduction characteristics without the use of a separate sound control product.
