

# AVA<sup>®</sup> SNSE<sup>®</sup> PROJECT

**MULTI-FAMILY: Deco at CNB, Richmond, VA**

APPLICATION AREA	Apartment units
SPECIFIER	Commonwealth Architects, Richmond, VA
SNSE COLOR	Graphite made in 8mil 2mm construction
QUANTITY	100,000 sf
INSTALLATION DATE	2015 - 2016

**PROJECT DESCRIPTION:** The iconic Central National Bank (CNB) building in Richmond's historic Arts and Cultural District is renovated into an upscale apartment complex named Deco at CNB.

While preserving the buildings history, Commonwealth Architects modernized the historic structure. The contemporary AVA SNSE flooring is installed throughout the bedrooms, kitchen and living space in the 200 apartment units. The building is believed to be one of Virginia's best examples of art deco architecture.
