

# LITITZ FLOORING COMPANY

JANUARY 2025

# RUN HOPE WORK

Last month, Lititz Flooring volunteered time, material and knowledge to assist *Run Hope Work* make improvements at the Covenant House DC, a youth homeless shelter in the DC area.

Founded in 2014, *Run Hope Work* (RHW) aims to uplift DC's young adults by providing them with pathways out of financial poverty. The initiative is designed to equip them with employable skills training and certification, fostering their development into the next generation of business and social leaders.

Under the leadership of Lititz Flooring Technical Manager, Daniel Ortiz, this was Lititz Flooring's third year of training a group at *Run Hope Work*, further solidifying our commitment to social responsibility.
